

Honor Your Service. Continue your journey.

WRITING IN THE ARENA

***A Creative Writing Program for
Military and Veteran Men***

Join Mission Belonging for a virtual orientation session to learn more about our program for men in the military, Writing in the Arena. This monthly program offers live, interactive online art and creative writing workshops to create a “Virtual Community Center” where men who have served can gather and experience belonging in a healthy, safe, and connected environment.

Register for an upcoming orientation to participate.
